SUPER SLEUTHS:

TIPS AND TRICKS FOR CLAIMS HANDLING
AND INVESTIGATION

TUESDAY • NOV. 10 • 2020

1-2 P.M. EASTERN

OFFERING 1 GA ETHICS CREDIT
(PENDING APPROVAL)

When handling a claims investigation, there are steps to take, especially at the outset, to ensure that important information and evidence is obtained.

The attorneys will discuss best practices to use when investigating claims and cases in the coverage and liability context. They will also highlight some lesser-used methods to consider in future claims handling. Additionally, they will cover the ethical considerations and interplay regarding how information obtained through these investigation tactics is used by attorneys to evaluate coverage and engage in litigation efforts.
