

WEBINAR: Is That *REALLY* An Accident?

Tuesday, July 18
1 - 2 pm EST

Often times, a determination as to whether an accident is compensable can be quite challenging, especially when confronted with an unusual set of facts. This webinar considers those unique situations where otherwise “black-and-white” cases appear more “gray.” Swift Currie attorneys Crystal McElrath and Blake Staten will discuss accidents occurring outside of the workplace — whether on foot or involving vehicles, those involving the influence of drugs and alcohol, horseplay, and violations of certain safety policies, among other situations. The purpose of the webinar is to supply information to assist you in the everyday handling of your claims, and provide needed support when making compensability decisions under these somewhat difficult scenarios.

Presented by Swift Currie Attorneys:

Crystal McElrath

Blake Staten

Webinar will offer 1 general hour of continuing education (pending approval) for attendees licensed with the GA Department of Insurance.

Instructions to join the webinar will be sent via email to all registrants closer to the date of the program.
