RELATIONSHIP STATUS: IT'S COMPLICATED

WHAT EMPLOYER-EMPLOYEE RELATIONSHIPS CREATE
COVERAGE UNDER THE ACT FOR 2021?

THURSDAY • MARCH 4 • 2021
1-2 P.M. EASTERN

Generally, Georgia workers' compensation cases have clear employer-employee relations. However, things get complicated when evidence of an "actual employment" relationship is lacking. These issues often arise in cases involving independent contractors, statutory employers, PEOs and "borrowed servants."

This presentation will cover issues and potential defenses present in such cases, along with some finer details that can be crucial for the outcome. The attorneys will also review best practices and procedures for handling these unusual cases through hypothetical scenarios.
