UM . . . IS THIS COVERED?

A HELPFUL SUMMARY OF
UNINSURED/UNDERINSURED
MOTORIST COVERAGE IN
ALABAMA

WEDNESDAY • APRIL 7 • 2021
1-2 P.M. EASTERN

Some uninsured motorist (UM) claims are exceptionally simple — a breath of fresh air in your day-to-day work. Other UM claims, however, present a number of complicated coverage issues and delicate procedures to follow. An early, thorough evaluation of these claims can expose potential defenses and pitfalls to avoid.

Join the attorneys as they provide an overview of UM law in Alabama, explain some of the most common coverage issues in UM claims and delve into the procedures for evaluating third-party settlements.
