2020 is a year we'll never forget, and 2021 is proving to have ongoing Covid-related challenges. Join us for this informative virtual event to learn how providers, case managers and attorneys have learned to cope with the “new normal.” Also learn about these complex issues:

- Is it compensable?
- Work from home
- Telemed
- Vaccinations
- Light duty work
- Return to work

A Q&A session will follow, allowing participants to learn best practices and gain insight into how to piece their way through this challenging time. This program will offer two Georgia CE hours for adjusters, pending approval by the GA Department of Insurance.
