WEBINAR

THE CONTINUED EVOLUTION OF SEX TRAFFICKING LITIGATION AND DEFENSE COUNSEL STRATEGIES

THURSDAY • JULY 22, 2021 • 1-2 P.M. EST

Over the past two years, plaintiffs across the U.S. have increasingly filed litigation against hotels, truck stops and social media websites, alleging violations of the Trafficking Victims Protection Reauthorization Act (TVPRA) and numerous state premise liability laws.

As more cases are filed, the strategies used by plaintiffs' attorneys, including venue and claim shopping, have evolved. Accordingly, this webinar will discuss the crime of sex trafficking, both federal and state law claims and unique considerations in defending these lawsuits in light of the different claims and strategies brought by plaintiffs.
