GROUNDWORK FOR CONSTRUCTION CLAIMS: INITIAL INVESTIGATION AND EARLY CONTRACTUAL AND COVERAGE CONSIDERATIONS

THURSDAY • OCT. 14 • 2021
1-2 P.M. EASTERN

Construction claims often lead to messy and complex litigation. In this webinar, Steve Schatz and Sean Farrell will address initial investigation best practices for claims professionals to streamline and bolster future litigation efforts.

The attorneys will also focus on early contractual and coverage considerations that affect litigated construction claims and how to effectively and efficiently address these issues.
