Join us as our panel of experts helps you stay on track and reach the finish line with a successful resolution of your work comp cases! You'll get practical advice and top-tier coaching from both the medical and legal perspective. Topics will include treatment plans, FCEs, surveillance, pre-existing conditions, aggravation and return to work. Arrive ready to have fun and win prizes while you earn CEU credits and enjoy a delicious lunch.

This program will offer two GA CE hours for adjusters, pending approval by the GA Department of Insurance.
