The Georgia Court of Appeals recently rendered a bright-line rule in *Frett v. State Farm Employee Workers' Compensation* regarding how the ingress and egress rule applies to the scheduled break exception. Joanna Jang and Dustin Thompson will first give an overview of both the ingress and egress rule and the scheduled break exception, followed by a discussion of the specific facts of the *Frett* case. They will also take a look at how the court's opinion in *Frett* affects the ingress and egress rule and the scheduled break exception moving forward in Georgia workers' compensation claims.
