

# WEBINAR: Important Policy Conditions

## *The When, The Who and the How Much*

Tuesday, March 29, 2016 • 1-2 pm EST

During this webinar, Swift Currie attorneys Shannon Schlottmann, Jessica Phillips and Kelly Dunberg will discuss the contractual suit limitation defense in Georgia and how an adjuster can avoid waiving the suit limitation defense, including during his/her negotiations with the insured. Further, the presenters will review the options an insurer has after the suit limitation period has expired and the insured continues to pursue his/her claim. Additionally, the webinar will provide an overview of the assignment of post-loss benefits under Georgia law and the interpretation of non-assignability clauses by Georgia courts. A final topic for the program will address mortgagee rights under the various types of mortgagee provisions commonly contained in insurance policies and how post-loss activities of a mortgagee (including foreclosure) will affect a mortgagee's right to recover and affect the value a mortgagee could recover.
