WEBINAR

# INSURANCE LITIGATION IN A POST-PANDEMIC WORLD

THURSDAY • JULY 30, 2020 • 1-2 P.M. EASTERN

COVID-19 has changed court proceedings and trials in a short period of time. What effect will the pandemic have as we move forward in the court system? During the webinar, attorneys from the defense and plaintiff side, as well as a jury consultant, will provide an inside look into jury trials and juror attitudes in the post-pandemic world.

Attendees will learn about the state of the court system, new restrictions and how the pandemic may affect your approach to settlement.
