WHEN A WORKERS' COMP CLAIM GETS COMPLICATED:

EMPLOYEE LAYOFFS, SUBSEQUENT INJURIES, UNEMPLOYMENT AND MEDICAL LEAVE

WEDNESDAY • OCT. 14 • 2020

1-2 P.M. EASTERN

Employee layoffs, subsequent injuries, unemployment and approved medical leave can all affect workers' compensation claims in different ways. Sometimes, more than one of these will impact a claim, making it potentially more difficult to administer or resolve.

The attorneys will discuss how these additional hurdles interact with each other, federal laws and Georgia Board Rules and statutes. Additionally, they will address best practices and procedures for handling each aspect of a claim impacted by one of these variables.
